### COVID-19 Case

On Friday, October 2, a member of the congregation reported they had tested positive for COVID-19. They had attended service on September 27. Following our Policies and Procedures, in-person worship services were cancelled for 2 weeks. Everyone who attended service on September 27 is encouraged to self-quarantine as much as possible and monitor their health. If they develop any symptoms they should contact their health care provider for testing.
