Shoes or Crocs are preferred for the playground.

What a mess!

Just a reminder that we often do messy activities and play outside a lot! Kids can get messy and we try our best to use washable products.

Please don't send kids in their best clothes. Kids learn by getting messy and digging into whatever they are doing!

Fall is coming!

Please start sending a sweatshirt or lightweight coat everyday. It can be cool in the mornings.

Also, please label extra clothes with names!

PLEASE
Wash

**pillows, blankets
and water
bottles every week!**

Thank you families!

For taking extra steps to keep the little ones safe and healthy. Washing hands often, masking up and keeping home children that are ill can make a big difference! Thanks for doing the right thing!
