12.28 Maya

PLEASE
Wash

**pillows, blankets
and water
bottles every week!**

Winter is here!

Continue to send daily: winter coats, snowpants, boots, hats, and waterproof mittens! As long as the feels like temperature is 0 or warmer, we go outside 2 times/day!

Teachers are asking that children please leave **ALL** toys, jewelry, money and personal belongings at home. All these items can cause a lot of disruption and could be a choking hazard to our younger children in care.

Reminder!

If the schools make the transition to all distance learning after Christmas, we can not take school age kids!

Parking Lot safety

Please be careful when entering and exiting the parking lot each day. Please follow the new guidelines about parking. 2 cars under the carport, all the rest in parking spots.
Let's keep everyone safe!

Due to all the COVID regulations, we will not be having a Christmas program this year. We will continue to learn and sing Christmas songs during Chapel time though!!
